Objective

- Identify the Email icon in Credo Reference, OneSearch, and NewsBank.
- Email articles to a specific address.

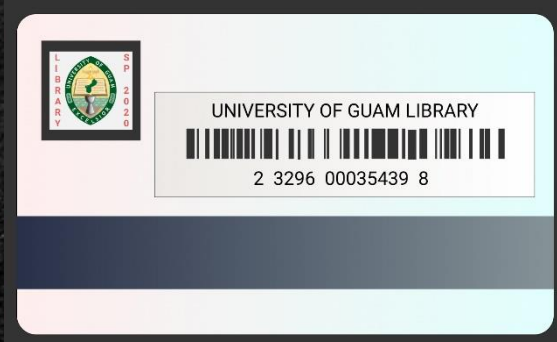

Note: If you are accessing UOG Databases from off-campus, you will need to login with your Barcode and PIN#

A screenshot of the UOG Library Patron Authentication login page. The page has a blue header with the text "UOG Library Patron Authentication". Below the header, it says "Welcome to the University of Guam Library." and "The resources you have requested are restricted. Please enter:". There are three input fields: "Your barcode:" with a text box, "Pin:" with a text box, and a "Login" button.

Please call us at (671) 735 – 2311 if you do not know your barcode and PIN #.
You can also email us at: uogcirc@triton.uog.edu.

You may also refer to the Barcode and PIN # Information Literacy Module

UOG Library Patron Authentication

Welcome to the University of Guam Library.

The resources you have requested are restricted.
Please enter:

Your barcode:

Pin:

Please call us at (671) 735 – 2311 if you do not know your barcode and PIN #.
You can also email us at: uogcirc@triton.uog.edu.

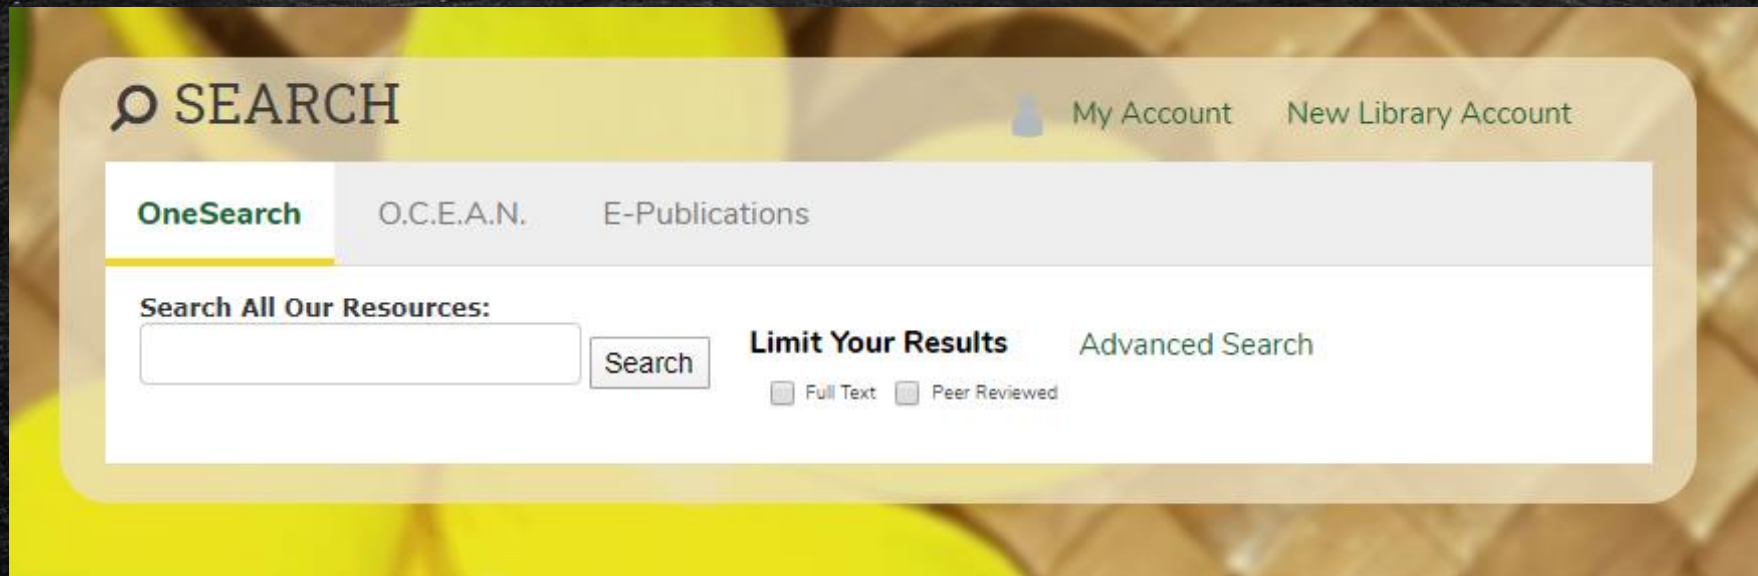

Emailing Resources: OneSearch

1. Navigate to www.uog.edu/library.

The screenshot displays the University of Guam library website. At the top left is the university logo with the text "UNIVERSITY OF GUAM" and "UNIBETSEDÁT GUÁHAN". To the right of the logo are navigation links: "Directory | Contact | RFK Library | Campus Map | News | Events | Careers" and a "Login" button. Below these is a search bar labeled "Search Site...". A green navigation bar contains links for "Admissions", "Academics", "Students", "Research", "Outreach", "Giving", "Alumni", and "About". The main content area shows "Home » RFK Library »" and "RFK Library". A large search overlay is centered on the page, featuring a search bar with the text "SEARCH" and a magnifying glass icon. To the right of the search bar are links for "My Account" and "New Library Account". Below the search bar are tabs for "OneSearch", "O.C.E.A.N.", and "E-Publications". Underneath is a section titled "Search All Our Resources:" with a search input field and a "Search" button. To the right of this section are links for "Limit Your Results" and "Advanced Search". At the bottom of the search overlay are checkboxes for "Full Text" and "Peer Reviewed". The background of the search overlay is a blurred image of yellow flowers.

Emailing Resources: OneSearch

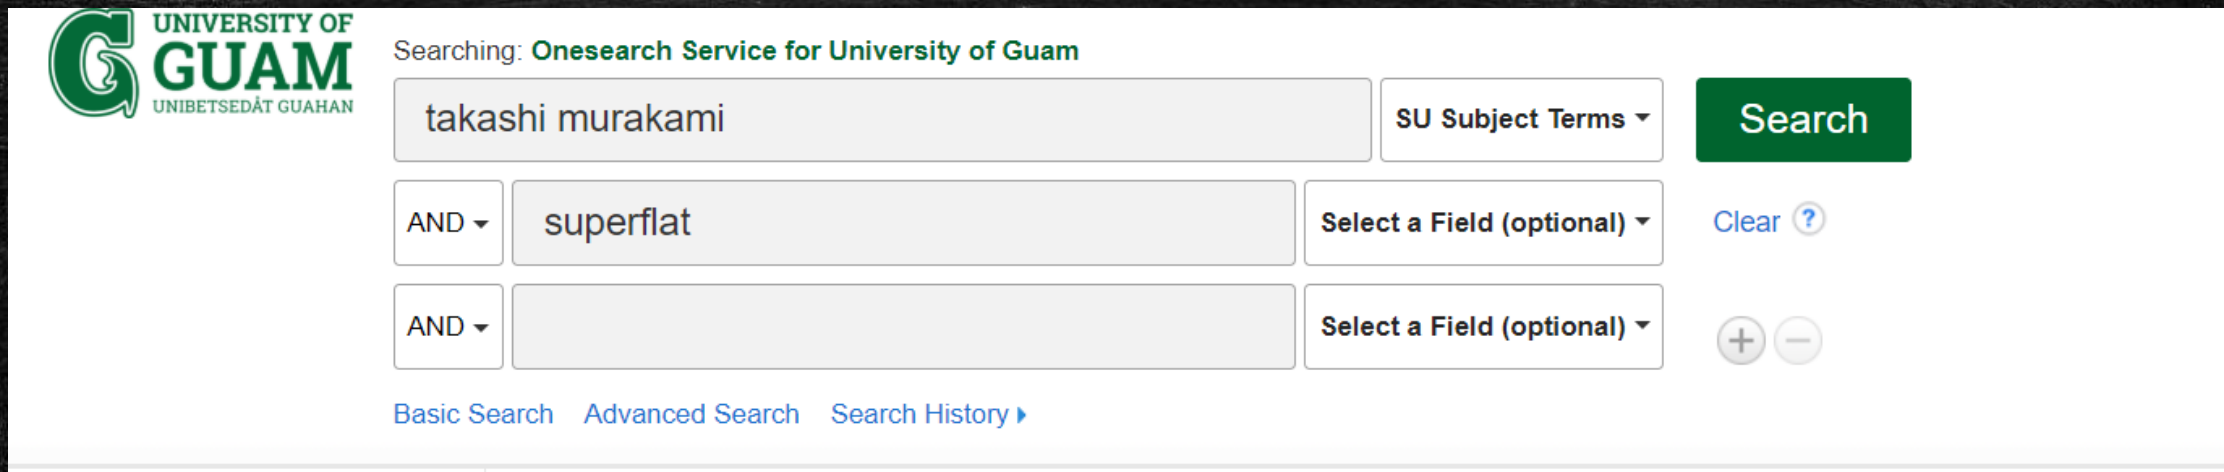

2. Click Search to enter the Onesearch Database

The screenshot shows the OneSearch database search interface. At the top left, there is a magnifying glass icon followed by the word "SEARCH". To the right, there are links for "My Account" and "New Library Account". Below this, there are three tabs: "OneSearch" (which is highlighted with a yellow underline), "O.C.E.A.N.", and "E-Publications". Under the "OneSearch" tab, there is a search bar with the text "Search All Our Resources:" above it. To the right of the search bar is a "Search" button. Further right, there are links for "Limit Your Results" and "Advanced Search". Below "Limit Your Results", there are two checkboxes: "Full Text" and "Peer Reviewed", both of which are currently unchecked.

Emailing Resources: OneSearch

3. Conduct a Search.

The screenshot displays the OneSearch interface for the University of Guam. The header includes the university's logo and name: **UNIVERSITY OF GUAM** UNIBETSEDÁT GUAHAN. The search status is indicated as "Searching: Onesearch Service for University of Guam".

The search interface features three input rows. The first row contains the text "takashi murakami" in a search box, followed by a dropdown menu labeled "SU Subject Terms". The second row starts with an "AND" operator dropdown, followed by a search box containing "superflat" and another dropdown menu labeled "Select a Field (optional)". The third row also begins with an "AND" operator dropdown, followed by an empty search box and a "Select a Field (optional)" dropdown menu.

On the right side of the interface, there is a prominent green "Search" button. Below it are "Clear" and "?" buttons, and at the bottom right, there are "+" and "-" buttons for adjusting the number of search criteria.

At the bottom of the search area, there are three navigation links: "Basic Search", "Advanced Search", and "Search History" with a right-pointing arrow.

2. Conduct a Search and choose an article.

The screenshot shows the Credo Reference search results for the query "cognitive development". The interface includes a search bar with the query, navigation options like "Advanced Search" and "Search History", and the University of Guam logo. The main content area features a grid of image thumbnails on the left, a detailed article snippet for "Cognitive development" from the Corsini Encyclopedia of Psychology and Behavioral Science, and a "Recent" section with a link to "English as a second or foreign language > Foreign language". On the right, a conceptual diagram illustrates the relationships between "Cognitive development" and related concepts such as "Jean Piaget", "Piaget's theory of cogniti...", "Developmental psychology", "Child development", "Play (activity)", "Play", "Behavior", and "Adaptation".

CREDO Reference cognitive development Advanced Search Search History

Cognitive development
From The Corsini Encyclopedia of Psychology and Behavioral Science
The term cognitive development refers to age changes in the ability to acquire, manipulate, or reason about information in particular contexts. When the intellectual capacities of at least two age groups are compared and the oldest group has not yet reached middle age...
