The screenshot shows the SciFinder website interface. At the top, there is a purple header with the SciFinder logo and the text "SciFinder®". Below the header, there is a "Resources" section with a list of links: Credo Reference, MARC Virtual Library, MARC Digital Collections, Guampedia, Newsbank, Guam Ecosystems Biorepository, ProQuest Dissertations and Thesis, Suggest a Purchase, Database Troubleshooting Guide, EBSCO eBooks, and Small Business Reference Center. On the right side of the page, there are three yellow buttons: "Ask a Librarian", "Contact Us", and "RFK Hours". A large red arrow points from the SciFinder logo area towards the "Ask a Librarian" button, which is also circled in red.
